EVER WANTED TO "HELP" DESIGN THE GRANDS TRACK?! HERE'S YOUR CHANCE!
Not that our build-crew needs any help - but we thought it'd be a cool idea to let YOU - the USA BMX members, provide us with some input on what jumps you'd like to see placed = and where, on this years GRANDS track!
As you can see in the image on the right, we've got the layout finalized. All YOU need to do is add jumps. Please use this downloaded PDF of the layout, draw in your jumps and either send your entry in by mail or E-mail.

PRIZE: Speakers from JBL; the official sound system of USA BMX, will be awarded to the best submission - as decided by our judges (track builders). If an Entrant's jump suggestion is used on the Grands track, that particular obstacle will be named after the rider - and announced as that throughout the Grands week-end.

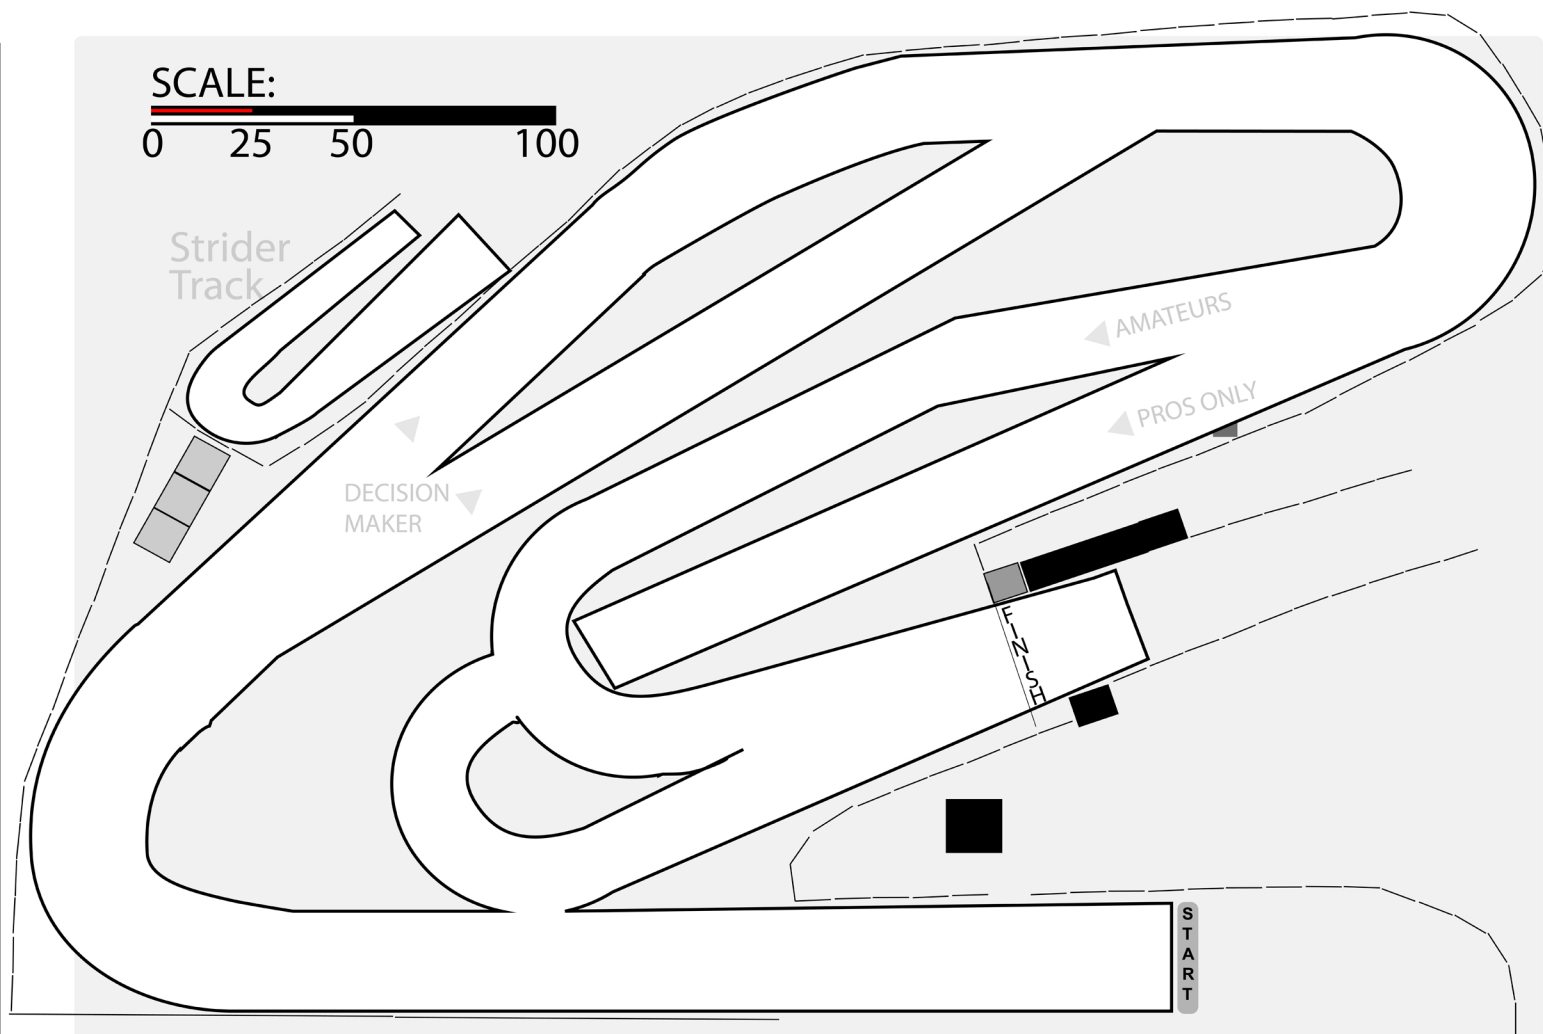

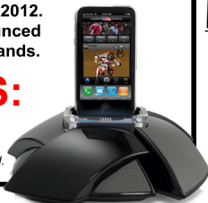

RULES: Contest is open to all USA BMX members and their family. USA BMX employees and their family are not eligible for the prize. You may enter more than once. track suggestions must be submitted on this PDF form - but you may also include drawings from other angles. In the likely chance that entrants will submit/suggest the same or very similar obstacles, our judges will pick the one they deem to be "best."
